

# INSTITUTION CODES

Do not use this list in selecting a test center.

The institutions listed below are approved to receive GRE scores; this does not necessarily mean that these institutions require or recommend taking GRE tests. Some other approved institutions are not listed because they receive too few score reports. (Fellowship sponsors are listed on page 29.) When registering, if a score recipient is not listed, complete the Additional Score Report (ASR)

Request Form (center of *Bulletin*) and include the name and complete mailing address of the recipient. The ASR form must accompany your registration form.

If a star (★) appears to the left of an institution's code number, it indicates that, at the time this *Bulletin* was printed, the institution was not offering graduate programs. An institution code preceded by a star *should not be entered* in item 12 on the registration form.
